- Pupils who bully can be older, younger, bigger or smaller than you.
- Pupils who bully pick up on people who may be different in some way and try to make them feel worse about themselves.

If you are being bullied, remember –

THAT IT IS **NEVER** YOUR FAULT!

Where does bullying happen?

Bullying can happen:

- At school
- After school
- Online

What should I do if I think someone is being bullied?

What should I do if I'm being bullied?

If you are being bullied, it is important to tell someone you trust. Tell an adult or friend, either at school or at home. If you have already told an adult about bullying, you can still tell them again.

You can:

1. **Tell a teacher – your class teacher or any other teacher.**
2. **Tell a friend you trust.**
3. **Tell any other adult staff in school – such as Teaching Assistants, midday supervisors or the school office.**
4. **Tell an adult at home.**
5. **You can also write a note about the bullying in your class worry box**
6. **You can also call ChildLine at any time for free on 0800 1111. There is always someone there to help you.**

If you tell a teacher or adult at school they will be able to help you. They will tell the headteacher and your parent or carer so that they can help you. Telling an adult will never make bullying worse. They will talk to you and the people bullying to find ways to stop the bullying and keep you safe.

What is bullying?

Bullying is when a person is hurtful or unkind to someone else on purpose and usually more than once. Bullying can be done by one person or by a group of people. A useful way to remember bullying is:

SEVERAL TIMES ON PURPOSE

- Hitting or saying you are going to hit someone
- Touching someone when they don't want you to
- Calling someone names, teasing, using rude language or saying nasty things about someone to them or to other people
- Stealing or damaging someone else's belongings
- Ignoring someone on purpose or leaving them out
- Sending hurtful or unkind texts, emails or online messages to someone or about someone
- Copying and mimicking someone

Reasons why people bully

Bullying can be about:

- Race or ethnicity (racist bullying)
- Religion or belief
- Family and culture
- Sexist bullying
- Homophobic or bullying
- Special educational needs or disability bullying
- What someone looks like
- Where someone lives or who they live with

If someone is being hurtful or unkind to you several times on purpose, for whatever reason, whether it is about you or your family or friends - that is bullying.
No one should be picked on for being different in any way, for how they act, what they look like or who their family are.
